Capability Statement

Capability Statement

Crokers Fuel & Oils History

A commitment to customer service and satisfaction has maintained Crokers Fuel & Oils Pty Ltd as a leading local fuel and lubricants distributing company. Success and growth in the future are dependent upon our ability to sustain this excellent service through the individual effort and dedication of every employee. Utilising local knowledge, experience, skill, ability and energy is an essential factor towards succeeding as a team and exceeding customer expectation.

Crokers Fuel & Oils Pty Ltd service a 55,000 km² area of central Queensland, from St Lawrence (south) to Bowen (north) and west to Alpha.

Crokers Fuel & Oils has a fleet of 5 B-Doubles, 15 Truck and Trailer combinations and 4 mini-tankers and employed 48 staff working out of Mackay, Clermont and Proserpine with a turnover of around 75 to 80 million litres a year.

Our company supplies bulk, onsite and retail Ampol fuel products and supplies and stocks a large range of Ampol, Mobil, Caltex, Gulf Western and Recochem products to a broad range of industries including farming, resellers, quarrying, trucking, mining and manufacturing companies.

As a company we are proud of our level of service to all our customers and this focus on safe, friendly and efficient service has built a strong company with a loyal customer base.

Capability Statement
